Al-Pa Roan Star, bred and owned by Alvin G. Blaas & Sons. This is a good long rangy calf out of Helona Ranger 4th.

As stated last year, this herd was founded in 1944 when the first females were purchased and recorded under the name Westknoll Farm with Darrell as manager. Because of health conditions, a reduction in farming was necessary, so the herd and management were transferred to Marie J. Noll. Again it is a hard decision to select cattle to enter, but as someone has said, we have had very good luck in reproduction so that we must still reduce.
